NON-ACADEMIC EXPERIENCE

TSD Communications, Chief Information Officer (2001 –2007)

TSD is a communications strategy firm that often advises clients on technological developments in the communications arena and designs and delivers decision support systems and web sites to its clients to assist them in their communications efforts. My responsibilities included managing TSD's IT infrastructure and IT support staff, acting as lead developer on application development projects, serving as project manager on web development projects and advising clients on IT matters. Clients included Microsoft Europe, the DNC and the Pfizer Corporation.
